

* Dear Parents and Carers,

* At Highgate Primary we are committed to promoting partnership with families. Class 2RV are having an INSPIRE event this term which is a great opportunity to do just that.

* INSPIRE is a programme whereby parents and carers come into school and take part in a practical lesson or workshop with their child.

- * You will have the chance to see and help your child learning in the school
- * School staff will have a chance to get to know you better
- * Most importantly, your child will benefit from the excitement of working one-to-one with a special adult in their lives at school.

* This year, many classes have had their INSPIRE event. These are some of the feedback comments they have made:

- * *'The best part was seeing my son excited with the work and participating actively'*
- * *'I most enjoyed sitting and doing something exciting with my girl'*
- * *'I learnt about the way children are taught interactively and how children participate.'*
- * *'It was the best day ever! I had loads of fun'. (year 5 child).*

* On **Wednesday 16th June from 9:15-11am**, we are inviting one adult (over 18) for each child into school to take part in an INSPIRE creative workshop. This can be a parent, grandparent, uncle, aunt, brother, sister or even a family friend or neighbour - *as long as the adult is an important one to the child.*

* We are giving you 6 weeks notice so that you will be able to make arrangements around childcare, work etc. Please let me know which adult will be coming on that day, using the slip below. Please come and speak to me or Kim Slater, Parental Involvement coordinator (07950 334111) if you have any questions about INSPIRE.

* Look forward to seeing you at the workshop!

* Ruth Vince

2RV INSPIRE Workshop Wednesday 16th June 2010

* Name of child _____

* The adult attending will be _____

* What relation are they to the child? _____
